

## **Pestshield Fly & Wasp Killer - item number: PS0005A –Recall**

The following notice has been issued by 151 Products Limited

### **Customer and Consumer Recall Notice**

**Date:** 31/07/2019

**item number: PS0005A, Barcode: 5050375099326**

**Batch no: D-1270, Production date: 06/05/2019**

Our rigorous continuous quality process has identified that the Pestshield Fly & Wasp Killer, aerosol with the above batch code and production date do not meet the quality standards that we require for this type of product, giving rise to an associated low safety risk. Whilst no issues have currently been identified with any other batch codes, as a precaution we are initiating a recall on all recent batch codes of the product.

Please note that other Pestshield Fly & Wasp Killer are safe for use and this recall is only for Pestshield Fly & Wasp Killer item number: PS0005A, batch number D-1270. No other products are affected.

We remain committed to the highest levels of product quality and apologies for the inconvenience this will cause.

### **What You Should Do**

Check the item number, barcode and batch number on your purchase and return the product to store for a full refund of a purchase price.

Please note that this recall only applies to the product described above.

Should you have any queries or concerns regarding this information please call our customer service team on 0161 839 5949 between 9am and 5pm Monday to Friday.

We wish to thank you for your cooperation.
