Product recall

wilko Safari Buddies tambourine assorted

Item code: 0417368/7 - affected batch codes - 190620, 190701, 190715, 191125
batches are located on the inside of the wooden frame

We have recently become aware of a potential safety issue with our wilko Safari Buddies tambourine. We have identified that in certain circumstances, **the pins that secure the cymbals can become detached, leading to a potential safety issue.** As a precautionary measure we are therefore advising customers that have purchased the tambourine with the above batch codes to **stop using the product immediately, keep it away from children, and return it to any wilko store for a full refund.**

Nothing matters more to us than our customers' safety - so if you've purchased this product from us, please return it to any of our stores for a full refund of the purchase price.

Please note that this recall only applies to the batches highlighted above.
